This institution is an equal opportunity provider.
Early Head Start and Head Start programs at Great Lakes Community Action Partnership offer high-quality educational programming for children ages birth through four and their families, with center-based preschool and childcare options in Wood, Sandusky, Ottawa, Seneca and Lucas counties.

Learning options
Early Head Start and Head Start programs can provide full-day or part-day preschool services. Home-based services that provide weekly learning sessions for children and families area also available.

Support
Our programs support families and children by offering education, health, nutrition, social service and parent/family engagement opportunities. We welcome children with disabilities to our programs. We also provide referrals to assist families with transportation needs and resources as needed.

Eligibility
While eligibility is based on income guidelines, we encourage all families to apply to our programs, as Early Head Start and Head Start will consider each family’s unique circumstances and will work to assist families with finding the best educational options and opportunities for their children. We are here to help your children and your family thrive.
