

The Community Housing Impact and Preservation (CHIP) program provides no-cost home repairs or rehabilitations for eligible homeowners. Repairs may include plumbing, electrical, roof, furnace, ADA modifications, water heater, insulation and other needs.

GLCAP is proud to offer this opportunity with funding from the Ohio Development Service Agency, Office of Community Development.

COMMUNITY HOUSING IMPACT & PRESERVATION

HOME REPAIR/REHABILITATION PROGRAM

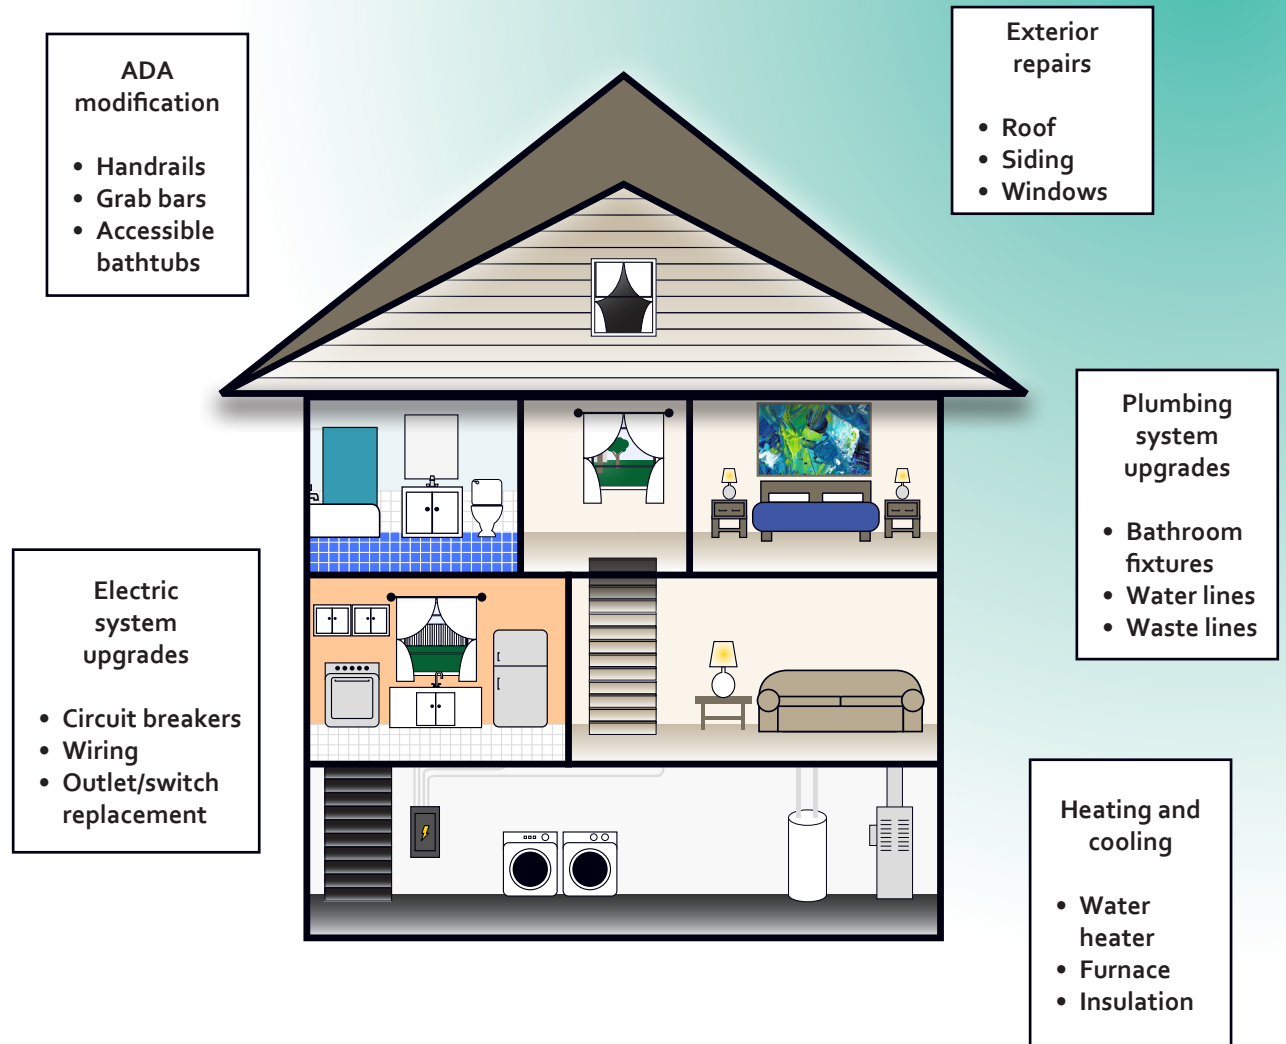

Fix your home with no-cost repair assistance

The **GLCAP Community Housing Impact and Preservation (CHIP) program** offers no-cost home repairs and rehabilitations to income-eligible northwest Ohio homeowners. Repairs may include roofs, water heaters, furnaces, electrical, insulation, ADA modifications, plumbing, and more.

The **Home Repair Program** provides no-cost upgrades and fixes for qualified homeowners. This grant-funded program requires no repayment by the homeowner.

The **Home Rehabilitation Program** offers more extensive repairs and upgrades for homes. This program is funded partially through a grant that is forgivable over a five-year period and a no-interest deferred loan that is repayable at the time of sale, transfer of title or change in occupancy.

Eligibility is based on household income and varies depending on the county of residence. Details on eligibility guidelines are available at glcap.org/homerepair.
