Great Lakes Community Action Partnership Meals on Wheels Loves Pets program knows that our seniors love their pets.

That's why we are offering pet food assistance for Sandusky County seniors ages 60 and older who are in need of food for their four-legged companions.

Help for your companions

GLCAP’s Meals on Wheels Loves Pet program allows us to help Sandusky County seniors keep their dogs and cats fed by providing home-delivered pet food purchased from local stores, or donated to the program by our supporters. The program is available to Sandusky County seniors ages 60 and over.

Pet food quantities are limited, and will be available on a first-come, first-served basis. While we will attempt to match any preferred brand of food you may have for your pet, we may not be able to provide the exact brand of food, based on our supply.
