Resource Directory for

## **Clark, Henry, Richland, Sandusky, and Huron Counties**

Google “Red Treehouse Ohio” on the internet to get further information or go to [www.redtreehouse.org](http://www.redtreehouse.org).

Red Treehouse is a website with links to many agencies throughout Ohio and is a resource for each county listing many referral sources.

## **WELCOME TO THE GLCAP MIGRANT AND SEASONAL HEAD START PROGRAM**

**The objective of the GLCAP Parent, Family, and Community Engagement Component is to help each family assess their individual needs for social services and to provide information that will result in the**

**family obtaining the needed services.**

**A Resource Directory is provided to all enrolled families. This Resource Directory lists agencies and services available in the community as well as resources available throughout the state. The Resource Directory has information for all MSHS GLCAP counties because our hope is that you will share this information with family and friends who may live in neighboring counties.**

**The Parent Family and Community Engagement Specialist, Center Specialist, and Family Advocates will work with your family to identify strengths and needs and then provide information and referrals to your family if needed.**

**GLCAP is here to help if you need it — just contact us!**
