

Welcome...

Introducing New Carlisle Center

It is an educational center with a rich history and an unwavering commitment to educational excellence and childcare.

Our New Carlisle Center was founded in [1998], has grown to become a caring, nurturing, learning center for children [6 weeks old to 5 years old, ready for kindergarten]

Our mission is to educate children to become responsible, community-minded citizens prepared for future success.

We offer a wide variety of activities and a safe and stimulating environment that encourages learning. We also offer transportation to different areas of the community... We invite you to get to know our school and explore all the opportunities we have to offer!

Here we have our Infants and Toddlers classes. We have 4 classrooms with a capacity of 8 children per class... mixed ages from 6 months to 3 years old. Upon reaching 3 years old, they transition to the preschool area.

In this area, we have 3 preschool classes with a capacity of 17 children from 3 to 5 years old.

And this is how we toured our Center, which serves children from families working in agriculture.

Thank you for
choosing our
GLCAP progra
