Energy help for all seasons

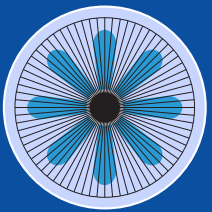

through GLCAP Utility Assistance programs

Our **Percentage of Income Payment Plan (PIPP) Plus** program connects households with fixed, monthly utility bills at reduced rates based on income.

The **Winter Crisis Program** helps households with utility disconnects or at risk of disconnection, as well as households low on fuel supplies during the winter season.

The **Summer Crisis Program** provides cooling assistance during the summer for households with a senior resident or member with a medical condition for which cooling is essential.

Our **Electric Partnership Program** offers energy-saving tips as well as new LED bulbs and other measures to reduce home utility usage and costs.
