Get Involved

The Policy Council ensures that the people for whom the program is developed will have a voice in the decisions of the program.

Purpose of Policy Council

- Plan and develop program goals
- Evaluate the program each year
- Provide suggestions and ideas for program improvements
- Approve Head Start policies and procedures
- Approve funding applications
- Serve as a link between the Head Start Center and the program
- Be a voice for children and families in the program

Serving as a Policy Council member is an opportunity to learn new skills and to gain self-confidence in a supportive environment. These skills help parents move into other leadership roles, such as school organizations and other groups in the larger community. For community representatives, their involvement is invaluable; giving service back to their community, learning more about Head Start, and sharing the leadership roles.
